## About The Book

*Sweet Little You* is a unique welcome baby book for mothers who make their dream of having a child come true through donor conception.

A new mother welcomes her baby to the world and, using age-appropriate language, introduces her baby to the fact that they were conceived with the help of an anonymous donor. She promises to love, nurture, and support her child in their new family.

## About The Author

Joni Halabi is a Senior Web Manager at Georgetown University and conference speaker who creates websites and writes technical articles, as well as a blog focusing on her life and journey to becoming a mother. When she isn't busy writing poignant stories for families and children, she enjoys running, doing yoga, reading, listening to podcasts, and seeing live music near her home in the Washington, D.C. area. *Sweet Little You* is her debut picture book.
